

## Four Seagate Garage Instructions

Marshall Melhorn LLC offers parking to clients visiting our Four Seagate office in downtown Toledo, OH.

The parking garage situates in the rear of the building located off St. Clair Street.

**The garage is non-public and parking is always at full capacity. However, you may press the black “Assistance” button and announce that you have an appointment at the offices of Marshall Melhorn. The dispenser will provide you a ticket.**

Note: Bring your ticket to your appointment to have it validated for when you depart the garage.
